Dear Dr. Mastro and staff,

I just wanted to drop you a line and thank you for the beautiful job you did on my teeth. I am so happy with the results. Dr. Mastro, you are a genius. If the temps look this good, I can't wait to see the permanent ones!

Thank you Marie for giving me the push I needed to go ahead with the work.

Thank you Elizabeth for your meticulous teeth whitening technique and your kindness.

Thank you Tara for your cheerful and professional assistance to Dr. Mastro.

All of you made me feel relaxed and confident. Something I never felt at a dentist's office before.

You guys are the best!

Sincerely,
