

Hi Dr. Mastro!

I am so thankful for your creativity and expertise for my smile. Before, I was insecure about the unattractive space between my teeth and I NEVER SMILED on pictures. Now I feel confident, beautiful and ready to embark on my new career as an author and motivational speaker.

I will be back for more work in the future.

Kudos to you and thanks again, for making my smile beautiful!

*Yakiri A. Thomas*

Author/ Motivational Speaker
